

Axxiome Banking: SAP Banking Services

Axxiome Banking is a comprehensive, ready-to-run platform for consumer and business banking, underpinned by the best SAP technology.

OVERVIEW

Banking transformation projects are seen as long, weary and very risky exercises, so financial institutions are hesitant to embark on such journeys.

SAP Banking Services is known as a great solution by the market, but it is also seen as an expensive solution to adopt, due to the implementation efforts required and the subsequent maintenance costs.

Axxiome is a worldwide leader in banking transformation programs. SAP solutions are in its DNA, having successfully executed and implemented transformation programs worldwide. Axxiome has incorporated all of this expertise into their Axxiome Banking, to help banks achieve their targets with minimum costs and effort.

Axxiome Banking reduces time, risk and complexity in all banking transformations programs by providing a full end-to-end banking platform that is capable of massively accelerating transformation programs with reduced risk and complexity. Axxiome Banking will serve banks for the coming decades, seamlessly adapting to new technology and constantly improving the customer experience.
